

CANCER CARE

Just one of the 15 areas of medical excellence at Shree Krishna Hospital

Nikhil Rathod took on blood cancer and won

Shree
Krishna
Hospital

The fight against cancer takes its toll, both on your body and your mind. At Shree Krishna Hospital, our comprehensive cancer care facilities – from prevention to treatment to rehabilitation – and our team of experts help you fight back. But with our early detection packages, your chances are higher.

SHREE KRISHNA HOSPITAL

With an experience of over 35 years, Shree Krishna Hospital is the most dependable destination for healthcare. Our comprehensive set-up ensures that you do not have to move from pillar to post for any essential medical care required during treatment. The experienced team of experts and well-trained support staff make sure you receive the care with steadfast dedication and warmth.

Cancer Care at Shree Krishna Hospital:

- A dedicated and experienced team of full-time medical oncologists, radiation oncologists and surgical oncologists
- Over 500 cancer surgeries, 700 radiation therapies and 3000 chemotherapies performed every year
- A dedicated team of physiotherapists, dieticians and counsellors who help in rehabilitation
- State-of-the-art linear accelerators
- A daycare centre for chemotherapy
- A bone marrow transplant centre (to be launched)
