

## PATIENT TESTIMONIALS

*Earlier, I used to have problems in breathing and pain in the limbs. After the birth of my third child, the illness increased. At Shree Krishna Hospital, I was treated with advanced keyhole valve replacement technology. I'm thankful to the specialists and facilities at the Hospital for saving my life.*

– Sonalben Rathod, Jogan village, Petlad

*I had undergone an angioplasty at a private hospital in Anand, however all 3 stents got blocked within 15 day & my heart pumping. I was referred to Shree Krishna Hospital where doctors performed a complex bypass surgery. I owe my life to them.*

– Narendrabhai Solanki, Hadgud village, Anand

# State-of-the-art healthcare, delivered from the heart.

## SHREE KRISHNA HOSPITAL

With an experience of over 35 years, Shree Krishna Hospital, Karamsad is the most dependable destination for healthcare. Our comprehensive set-up ensures that you do not have to move from pillar to post for any essential medical care required during treatment. The experienced team of experts and well-trained support staff make sure you receive the care with steadfast dedication and warmth.

### Cardiac care, our Area of Excellence:

Our state-of-the-art Cardiac Centre has treated patients of all ages; from 3 day old child to an 80 year old. Our committed team of cardiologists, surgeons and anaesthetists allows patients to have a highly personalised care. It specialises in treatment of complex cases-cases often refused by other centres and its intervention rates are in line with internationally-recognised gold standards. Our patients always have the reassurance that they are receiving the most appropriate care.

### Our Services:

#### Adult Cardiac Care

- Key-hole Surgery: Treatment using a single, small incision on the chest
- Open Heart Surgery: Total arterial CABG and High Risk Cardiac surgeries
- Catheter Intervention: Rare cardiac intervention to remove migrated foreign bodies from heart without surgery

#### Paediatric Cardiac Care

- Treatment for preterm, low weight babies with heart problems from birth
- ASD, VSD, PDA and TOF surgeries routinely performed
- Complex arterial switch and double switch surgeries performed with exceptional results

### Our Team of Experts:

- **Interventional Cardiology** : Dr. Sunil Thanvi | Dr. Sunil Karna  
Dr. Mahima Chajjer
- **Cardiac & Vascular Surgery** : Dr. Manish Tiwari
- **Paediatric Cardiac Surgery**: Dr. Zeena Makhija
- **Paediatric Interventional Cardiology**: Dr. Mahesh Bhatt
- **Cardiac Anesthesiology**: Dr. Gurpreet Panesar | Dr. Kunal Soni
- **Paediatric Cardiac Intensivist**: Dr. Amit Kumar
