## PATIENT TESTIMONIALS

*I have been physically challenged since childhood. I underwent a hip replacement surgery, and within two months of the treatment I was able to walk on my feet without any support. Thanks to Shree Krishna Hospital, I now have a normal gait and a regular lifestyle.*

– Dilipbhai Padhiyar, a resident of Padra village in Vadodara

*I have undergone joint replacement operations for both my legs at Shree Krishna Hospital . Everyone – the doctors, physiotherapists and other Hospital staff – took good care of me, even after the operation. Today I can walk, climb stairs and even drive a scooter. Immediately after my surgery I visited USA for 6 months, I have been comfortable during the stay and have carried out routine activities normally.*

– Anilbhai Patel, a resident of Anand
